Well, Courtney's certainly showing you everything she's got, and quite right too. We're not the kind of magazine to stint on growler glaring shots, especially when there offered in the form of Miss Dillion's cracking undercarriage!

LILY

Photos: Holly Randall

I couldn't help but expel a deep and wishful sigh when Lily Carter sauntered into the frame, her skirt tassels swishing along with her dark falling locks. I went a bit dreamy, and misty-eyed truth be told.

The Ed says: "That's an understatement, we practically had to slap you with whole cod to bring you round!"

Fine, so I'd completely floated off with the Nymphs, but now you chaps can see for yourselves what I'm chirping about, as we couldn't resist the charms of lovely Lily for another month!

TIFFANY

Photos: BB Media

Here at Men Only we like to think of ourselves as a set of suave characters, that know a little bit about women. But, the truth is more likely to be that we're as clueless as the rest of the male race when it comes to knowing anything about these gorgeous creatures. So when Tiffany popped in for a catch-up, we turned on the charm, and guess what? She wasn't having any of it, which typically left us lusting for more. Somehow, I don't think we'll be the only ones chasing Tiffany Fox down like a pack of hounds after getting a good look at her pink kebab. It just needs a little mayonnaise we think.

ELLE

Photos: Twistys

We've currently got the fire brigade on speed dial as Elle Alexandra has been creating more than a bit of smoke in the office with her girl on girl antics. But it didn't just stop there; she's even entered our dreams as a fiery temptress (just think Ancient Greece, chariots, and grapes), which has left us wondering where the graceful long-limbed redhead would strike next; or rather hoping...

MAGGIE

S

ultry brunette Maggie has been a popular lady since she appeared in this magazine three months ago. She made a flying visit to London with her boyfriend six weeks ago – he was on business and she was accompanying him – and during their three-day stay Maggie was invited to Germany to do a television commercial, approached about an interview with a regional newspaper and was asked to appear in a blue movie. She accepted the first two but rejected the third. “If I hadn’t been involved with anyone I might have seriously thought about the blue movie proposal, but I’d never do anything to jeopardise the relationship I’ve got with my boyfriend. I know that nude modeling is just about acceptable to him because there’s nobody else involved, but if I were to fuck another guy that would be totally unacceptable. As it is, he says that all the things I’d be expected to do in the film I do with him anyway. In fact our sex life couldn’t be any better. We’re both highly adventurous and will do anything at all that turns each other on. I suppose we’re both the same in that we enjoy giving pleasure rather than receiving it. To look into my guy’s eyes and face and know when he’s ready to come gives me such a thrill that I can actually come myself without being touched. I remember when I was younger I used to masturbate that way. I’d get out a dirty book and read one of the hornier passages over and over again until eventually I’d come, just from thinking about what I was reading. It took a lot of concentration. If I didn’t happen to be in the right mood to achieve an orgasm this way all I’d do is rub my clitoris two or three times and that would be sufficient to make me come.

GOT A FILTHY ADVENTURE YOU'D LIKE TO RELATE?

If so, why not drop us a line at **Men Only, Paul Raymond Publications, 23 Lyon Road, Hersham, Surrey KT12 3PU** (or email menonly@paulraymond.com)

DEAR MEN ONLY,

I've got my airline ticket already booked and in a few months, when term ends and I've graduated, I'm heading for University central - Ibiza. It's the wildest place this side of the moon! Everybody knows it's the place where hot and horny student girls take a break after studying, and if last year was anything to go by, this is going to be one hell of a party!

An example: three chicks, one bed, a bottle of French champagne, and me. Lucy, a redhead philosophy student, was teasing me with a flamboyant strip routine, while her blonde friends Ellen and Jodie (studying literature and performing arts, respectively) made out on the bed. I guessed they'd played around with each other before, they were obviously loving it! For a little while I just kicked back and wanked myself off, slowly and deliberately, not wanting to get too worked up too soon. Ellen

and Jodie were still at the kissing stage, so I watched Lucy turn to face the rear wall and pull off the fishnet black panties that she was only just wearing! Oh man, what a cunt she had! Being a natural redhead she'd done the decent thing and shaved her fur totally off. It was all smooth, pale and peachy, just like her bum, with these little pussy lips just peering out at me. I didn't want to be rude or anything, but I wasn't ready to dive in there yet. Sometimes you just have to take your time!

I picked up the phone, called room service and ordered up a couple of bottles of champagne and a selection of chocolates. To hell with it - I figured my overdraft for next

term would cover the cost!

When it arrived, I popped the corks and made a toast, "To cunt, cock, champagne and Ibiza!" then I gently pushed Ellen back onto the bed and took a swig of the sweet nectar in my glass. Holding it in my cheeks, I pulled down Ellen's panties, parted her legs and dived in with my mouth. I opened my lips just at the second that I made contact with her hot little cunny. The champagne mixed with her pussy, and I kept it from dripping down by locking on to her furry cup like a limpet. Ellen juddered as the cold bubbly fizzed on her skin. I slipped my eager

"I slipped my eager tongue into her flavoursome tunnel."

muscles gave a cute little twinge around my mouth.

The other two girls soon stripped and laid out on the bed beside Ellen, waiting for their turn. I reached into the ice bucket, pulled out two

tongue into her flavoursome tunnel. I could tell just from looking at her what kind of effect it was having, because her nipples went from soft and relaxed to rock-hard, just as her pussy

frozen cubes, and teased them around the clitoris of each girl while I sucked away between Ellen's legs. A few seconds later I pushed an ice cube up into each of their pussies.

I'd heard about this 'hot and cold' thing you can do when you're fucking, and I thought I'd never get a better chance to try it. One of you has to warm your sex parts up while the other one cools theirs down. When you stick your dick into the girl's pussy, the difference in temperature is meant to feel phenomenal. I tugged myself for a second or two just to get myself extra-hot, and then I opened up Lucy's juicy flaps and drove my dick home. She squealed and thrashed about on the bed like she was drowning or something! Well, the ice cube was still up there, but it had turned to

water by now and was finding its way out of her plugged-up hole, so the bed was getting to be almost as wet as the hotel pool!

I thrust in and out of her for a while before I thought to try the same thing with Jodie, but her ice cube had already melted in her hot little cunt, so I reached in to the ice bucket and pulled out another cube, while I told the little slut to make like a doggie and get on all fours. She pulled her pussy lips apart for me, but I had another idea. Taking the champagne bottle, I poured some down her arse-crack. It followed her contours, pooling around her arsehole before running further down to her pussy

“The champagne coated my dick as I pulled it back...”

opening and then dripping onto the bed.

Ellen saw what I was doing and angled herself underneath Jodie, so that once the champagne river had run its course she could drink it all up and taste its new improved flavour! I handed the bottle to Lucy and asked her to pour once I was inside Jodie, then I pulled apart her buns and thrust that ice cube right up her brown eye! Before she had time to squeal and maybe clench her cheeks so hard that the cube came out, I followed it with my dick. We were sure making some cocktail – my cock, her tail and a touch of ice!

Lucy started pouring the champagne over Jodie's bum while Ellen lapped it up along with having a sneaky suck on Jodie's clit. The champagne coated my dick as I pulled it back, then got pushed up Jodie's arsehole. I kept thrusting right up that little tramp's chute until my Titanic finally hit the iceberg, and then it felt like fireworks were going off! My spunk felt hot, her arse felt cold and the champagne made everything kind of fizzy.

The bad news – or maybe it was a good thing – was that the girls left Ibiza to head home the next day, so myself and my Uni mates decided to take it easy, hang out by the pool and, well, look at hot babes passing by.

My friend Aaron caught the eye of a really fit-looking brunette who, he told me, he'd seen around but hadn't got around to talking to yet. She smiled at both of us and sat down on her sun lounger across the pool from us. Aaron tried comically to mime the act of putting on sun lotion and then pointed at our new friend. She got his meaning and smiled again, reached to

pick up her bottle of lotion, and squirted it seductively all over her chest, before slowly and tantalizingly rubbing it in, teasingly putting her hand down her bikini bottoms and pulling a naughty shocked face.

The couple sitting on the nearest sun loungers to her got up and left, so I pointed to the seats and to us. Our sun-worshipping babe nodded, so we rushed over. There was still a distance between our new seats and the girl, so we maintained the miming communication, as it was kind of fun and it was making her laugh. We even managed to work out what she wanted to drink, and got the waiter to take her one over. I don't know whether she was grateful for the drink or just feeling saucy, but she rolled over onto her front and undid her bikini top. It looked to everyone else like she was just getting sun on her back without a tan line, but then she smiled and rolled towards us ever so slightly so that we could just see a hint of nipple. She tweaked it and licked her lips. I put my hand on my dick, over the top of my shorts and she licked her lips more deliberately. I rubbed up and down my bulge once while looking her straight in the eye. She did the same to herself. Aaron mimed for her to pull her panties aside, but she looked around at the busy pool and coyly shook her head.

Then I suppose she had an idea. She wrapped her towel round her and smiled. She wiggled around a little and the next thing I know is that her bikini bottoms fly over to where Aaron and I are sitting. Naturally, we took it in turns to sniff them. There was a little patch of white girly cum on them, which Aaron licked off.

Then the girl opened her legs. The towel hid her delights from everyone else, but we could see right up it. What a view – and I didn't mean the ocean! Although by the glistening that was going on under the towel it looked like she might be even wetter! As she opened her legs wider still, her cunt lips parted and we could see into her pink little hole.

It was too much. I mouthed my room number at her and made it clear that she understood before Aaron and I left the pool and went up to my room. A couple of minutes later there was a knock at the door. Aaron opened it and there she was, with her finger on her lips in a kind of 'shut up and both fuck me' pose. So we did – one of us at each end! Aaron got her cunt while she put her sweet pink lips around my meat and sucked me off. Then we swapped around. It was pretty odd fucking a girl in front of a girl of mine, but in a way it made what she was doing even nastier, and I guess we both got off on the fact that most girls wouldn't act like she was. Aaron got to pop in her mouth while I filled her cunt up with my seed – she was overflowing from both ends. Aaron even managed it again, taking her up the arse while I contented myself sucking on her tits.

When I asked her name, she smiled, put her finger on her lips again, and left the room. Another little darling who

was up for a great time, but didn't expect an engagement ring! You can see why I plan to take my summer in Ibiza a

good few more times before I settle down!
Geoff,
Warrington.

DEAR MEN ONLY,
Being a good old-fashioned cock-loving lass, I've never indulged in full-on lezzie sex, although I've often wondered what oral sex with another girl would be like. I reckon loads of girls must've wondered about that.

Well, I finally got my chance to find out last Thursday. My mate Jenny and I had come back from a club to my flat to sleep off all those Bacardi Breezers. But first we put on

some music and were dancing around my living room like a right couple of dizzy mares, when Jenny suddenly pulled up her top like a stripper starting her routine. I must admit, the sight of her lovely, firm bare tits jiggling about in front of me got me quite excited, and I started to egg her on. Breezers will do that to a girl!

By the time Jenny was gyrating before me in nothing but her stockings, heels and panties, I was as horny as anything.

"Fancy a feel?" Jenny said with a wicked grin, as she cupped her breasts to offer them to me. I wasn't going to pass that up, and I grabbed her tits, then pulled her towards me, kissing her full on the mouth. We fell onto the sofa, and Jenny sneaked a hand up my skirt, then started rubbing my pussy through my panties.

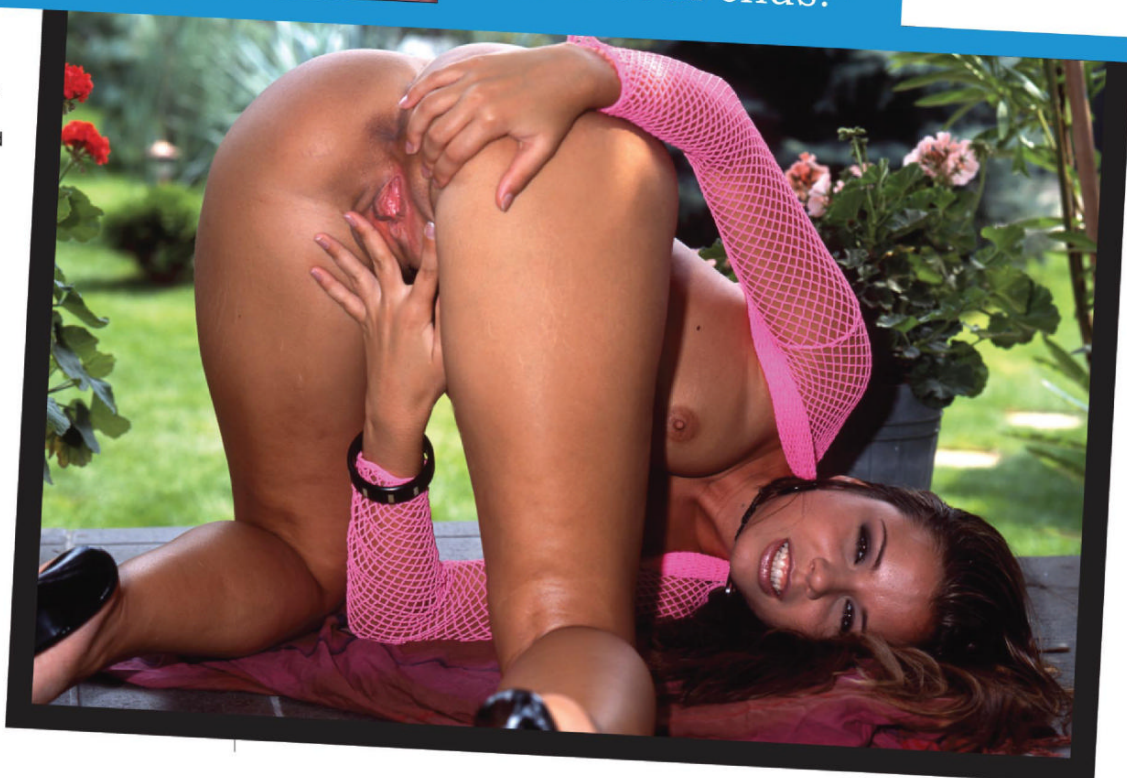

"Hey, ever licked a girl out?" she asked, and before I could reply, she stood astride me, yanked aside the gusset of her knickers and pushed her lovely shaven twat right into my face. Her delicious musky smell turned me on even more, and I jammed my tongue between her pussy lips and thirstily lapped at the thick love juice oozing into my mouth as she rubbed her crotch hard against my face.

Pretty soon Jenny was climaxing over me and I frantically wanked my clit as she dropped into a squat so I could suck on her tits, while she leant down to help me frig off. She licked her own cum juice from my lips and chin as she thrust a finger into my cunt, while I continued rubbing my clit till I came over her hand.

I'd never realised before what a dirty bitch Jenny was, but then I reckon she probably thinks the same of me! Both of us were a teensy bit embarrassed in the morning, but I'm glad I now know the joy of having a woman's tongue

inside me. If I'm ever without a fella in the future, I know just what to do to relieve my sexual tension – have a girls' night in!
Geraldine, Norwich.

"I filled her cunt up with my seed – she was overflowing from both ends."

Amarna's a spice in life and not for the faint hearted.

Well, bless my cotton socks or rather Ree Petra's.

Are you feeling a little chilly round the toes by any chance?

Ree Laughs, "I am just a little bit, and what I'd really like is a nice hot bath to warm them up in."

I'm sure we could arrange that for you if you let us join in?

"Oh, you're a cheeky boy! How about you towel me dry afterwards?"

It was at this point I lost the ability to speak, which took some time to recover. But could you blame me?

We'll let you into our way of thinking. Imagine a crackling fire, some cheese gently gooing and an assortment of crackers, when Bree (the delicious redhead, not the cheese), purposefully plants the nibbles in a trail all the way down to her... A whiff of Tiff and any man would succumb to the allure that surrounds her, giving themselves over to the zero gravity effect the Brighton bombshell creates. But Tiffany James does come with a warning sticker as there's a lot to handle, from her sizable F-cups, too hot to trot legs, full lips, and the lass can really handle her meat from what we've seen too. She's a dream come true for any man!

Miss BEHAVIOUR

Real Life
Adventures

Last year, my best mate Claire tried to rope me into accompanying her to a Christmas charity ball, with both of us being single. I declined and pointed her in the direction of my gay friend Freddie, who not only took her but also wowed her with his ballroom dancing skills. Unfortunately, she hadn't stopped banging on about it ever since and seemed determined to force me into going to this year's event.

In preparation, she tracked down and signed up for ballroom dancing lessons for us both. So, while most of our mates were heading down the pub one Friday after work, I found myself meeting up with Claire and heading to a popular dance studio in Covent Garden.

I wasn't sure what to expect – especially as the studio itself looked pretty pretty poncy and was a tad intimidating, with all the seasoned dancers

heading to their classes as we bumped into the reception and headed to the changing room to get ready.

I didn't feel any more confident in my mid-length skirt and top that we were asked to

wear – especially when I spotted the dance teacher, Marc. He was stunning! Dark, floppy hair, big brown eyes and the most perfect physique I think I've ever seen. But though he was sexy, he wasn't flirty. Even when

he got hands-on to show me a move during the class, there was a

professional distance – I tried to play it just as cool, but I could feel my pussy juicing up inside.

I managed to keep my cool where my libido

was concerned, however the same can't be said for my dancing skills! It turns out that I'm nowhere near a natural at

“pulling them aside, rubbing my clit and teasing the opening of my cunt.”

Ballroom (I never realised that I have two left feet!) and by the end of the class I was getting really frustrated and annoyed at myself.

Claire had arranged to go out with her sister in the

“I gasped as he groped my tits and his tongue explored my mouth.”

West End, so she quickly headed off straight away.

I was just about to leave too, and then Marc called me over. I was feeling a

bit sulky, to be honest, as I'm the type to get frustrated if

I'm not instantly brilliant at something!

He seemed a lot warmer now, smiling as he told me I'd done really well, I just needed to get to grips with the basics before trying the showier moves. I knew that my real problem was I'd just been thinking with my pussy for the past hour, but I let him show me a step.

I glanced up, my eyes meeting his, and,

He pulled me to him and I could feel he was hard all over. His body, toned from dancing, and his cock, sticking up stiff in his trousers and pressing against me. I gasped as he groped my tit and his tongue explored my mouth.

I reached down to feel his cock, but he

reached down, grabbing my ankle, and raised my leg up onto the barre. He stroked me through my knickers, before pulling them aside, rubbing my clit and teasing the opening of my cunt.

I let out a loud moan so he kissed me again to muffle it as he brought me to orgasm. I clung to him as I climaxed, but as I came down I felt his cock against my hip through his flies, and when I reached to unzip him this time, he didn't stop me.

I sucked his tongue as I slowly tossed his cock, but I couldn't stand in this position much longer. He helped me bring my leg down then spun me around.

We looked so hot together, me in my little top and hoiked-up skirt, him all

in black, and I moaned as I watched and felt him cup my tits. Then he bent me forward, so my hands were clutching the barre, and got in position behind me.

He had a good feel of my arse and said that, "with a bit of work I'd have the perfect dancer's body". Kind of compliment, I guess! I didn't really care what he thought of my

going by the little smirk on his face, he felt the shiver that went through me. We were dancing nose to nose and I took a punt and moved in for a snog – there was no one left around to see me make a twat of myself if he told me I'd read him wrong.

moved my hand away – he obviously liked to take the lead in fucking too! Then he danced me over to the wall, backing me up against it.

The dance studio was the perfect place for a fuck. Two of the walls were mirrored and there was a waist-height barre along this one. I watched as he pushed my skirt up then

arse anyway, as long as he shagged it off me!

He butted his dick against my pussy hole, then slipped in smoothly, pulled out and back in again. "OK?" he asked, looking at me in the mirror. I grinned at him and he started fucking me again, getting more and more vigorous.

He was bent forward over me now, grasping my tits as his prick reamed me deep. My legs were stretched in my heeled dancing shoes as he grabbed my hips and thrust hard and my body shuddered as another orgasm exploded through me, my pussy clamping tightly around his shaft.

"He took my full weight as he pummelled his member up into my wet snatch."

I had barely caught my breath when, in one smooth motion, he pulled his dick out of me, turned me round to face him and lifted me up unto the barre, my pussy at the perfect height for him to slam his hard cock into me – which he did immediately. I wrapped my legs around his waist and

he took my full weight as he pummelled his member up into my wet snatch.

God, this guy was talented!

Marc took my nipple into his mouth and rolled it around, sucking it hard, as he banged up inside me. I closed my eyes, wanting to savour every second of this moment. I couldn't quite believe that this handsome, sexy man was

"I sucked his tongue as I slowly tossed his cock, but I couldn't stand in this position much longer."

interested in me – even if it was just to get his dick wet!

After a few minutes, I felt Marc rest me gently down on the barre again and I figured he must be tiring but no, he just wanted to get a bit more purchase! He held my arse cheeks in place and began to really pummel into me, making me whimper as he thrust hard with everything he had until finally came, grunting loudly as he released a gush of his creamy spunk deep inside my cunt.

He pulled out and we straightened ourselves up, with him giving me one last kiss

and saying he'd see me in class next week. I didn't see Claire to tell her about it until the following week, just before the class started and she pissed herself laughing!

I felt like a naughty schoolgirl every time I caught her or Marc's eye which, needless to say, didn't help my concentration!

I've seen Marc a few times since, but I'm under no illusions that he's monogamous – not that I mind. After all, if I meet Prince Charming at this bloody Christmas charity ball this year, I won't hesitate to dance off into the sunset with him instead!

BROOKIE

Brookie Little has been causing us to bulge in the nether regions, as the glamour puss comes off webcam to give us a twirl in front of the lens, to great effect. Brookie's comely chest must have caused her all sorts of problems, and we're not talking the back variety, as her heavenly pillows are gradually revealed on set, too much applause. Miss Little it would appear is quite the handful.

CHARLIE

Photos: BB Media

Well folks, we thought we'd start the new year off with a very English bang and here she is Charlie Rose, who couldn't smell any sweeter (trust us we had a sneaky sniff). But for all the innocence she projects there's a naughty side to Miss Rose that could sink the Titanic! Which is why she's sailed onto the front cover for you to enjoy as much as we have.

BEXIE

Photos: BB Media

Bexie has always struck us as a bit of a free spirit, with the 23-year-olds tales of travelling and wild weekends! So it comes as no surprise when Bexie confesses she wanted to be an explorer growing up.

"I wanted to be Scott of the Antarctic, without the doomed ending!"

That's a fair point, and it seems Bexie's woken the explorer in us, as we picture being able to run our hands over her gorgeous body...

But that aside, the woman's got a bad case of wanderlust by the sound of it!
